

EXTENDED CARE EV VSC

3-Option Vehicle Service Contract for Your Electric Vehicle

Protect Against the Cost of Unexpected Repairs

Unexpected repairs to your new electric vehicle can be costly and can put a heavy strain on your budget. Keep your finances under control and enjoy peace of mind knowing that this vehicle service contract will cover nearly all major repairs.

- ✓ No surcharges
- ✓ Covers rideshare vehicles

Protection Against These Potential Repair Costs

Navigation System Replacement
up to **\$1,915** or more

High Voltage Cables Replacement
up to **\$1,840** or more

Chargers and Controllers/
Cables Replacement
up to **\$884** or more

Electric Motor Replacement
up to **\$7,996** or more

Power Distribution Control Unit Replacement
up to **\$870** or more

Propulsion Battery Replacement
up to **\$20,000** or more

EXTENDED CARE EV VSC

3-Option Vehicle Service Contract for Your Electric Vehicle

Extended Care EV

Excellent Basic Mechanical Coverage

Drive Motor

- Vehicle drive motors/generator/regeneration motors
- EV drive/traction motor dampener
- Modules and sensors
- Fuel cell/stack
- Power regeneration unit

Transmission/Transfer Case

- Transmission/transaxle case
- Transmission mounts
- Torque converter
- Transmission pan and bell housing
- Transmission control module and sensors

Drive Axles

- Differential housing and cover
- Front and rear wheel drive axle shafts
- Constant velocity joints and boots
- Universal joints
- Four-wheel drive engagement actuator

Air Conditioning and Heating

- Condenser, Compressor, Clutch, Coil and pulley
- Compressor mounting bracket
- Evaporator, Receiver dryer, Accumulator
- Idler pulley, bearing, & mounting bracket
- Hi-low pressure cut off/cycling switch
- Electronic temperature control head and programmer

Steering

- Steering gear, rack assembly, idler arm
- Power steering pump and reservoir
- Steering pump pulley and mounting bracket
- Pitman arm & tie rod ends
- Four-wheel steering power cylinder
- Control processor and sensors

Extended Care Plus EV

Includes Extended Care EV, Plus Coverage for all the Components Below

Cooling

- Radiator
- Brackets & coolant rec. tank
- Thermostat and housing
- Cooling fan relays
- Sensors and motors
- Cooling fan control processor and sensors
- Cooling pump

Suspension

- Upper and lower control arms
- Shafts and bushings, ball joints, stabilizer bars
- Bushings and links, radius arms, strut bars
- Links and bushings, track bars
- Spindle support and steering knuckle
- Torsion bars
- Mounts and bushings
- Coil springs, Leaf springs
- Hub bearings
- Shocks and struts
- Variable suspension switches
- Control processor and sensors
- Air suspension compressor;
- Suspension air bags

Electrical

- Front and rear wiper motors
- Washer pumps
- Back up light switch
- Wiring harnesses
- Electronic instrument cluster
- Power antenna motor and mast assembly

EV Electrical

- Vehicle inverter/converter
- Controllers
- Sensors
- High voltage cables
- Power distribution control unit
- Powertrain control module
- Electric propulsion battery
- Chargers and controllers
- External home charging station internal components

Brakes (ABS and Non-ABS)

- Master cylinder
- Wheel cylinders
- Vacuum and hydraulic brake boosters
- Calipers
- Backing plates and hardware
- Proportioning and combination valves
- Accumulator
- Brake pedal assembly
- Parking brake assembly
- Electronic brake control unit
- Wheel speed sensors
- Pressure modulator control/isolation dump valves
- High pressure hydraulic pump
- Solenoids

Convenience Accessories

- Power window motor and regulator
- Power door lock actuators and relays
- Power trunk/tailgate motor/actuator
- Power seat motor and relays
- Power mirror/headlamp motors
- Retractable roof/conv. top motor
- Sunroof motor
- Rear window defogger
- Heated seat elements
- Steering wheel activator switches
- Factory installed entertainment chassis including radio
- CD player, Graphic equalizer
- Television, DVD player
- Cruise control assembly
- Integrated navigation system
- Heads-up display projector and control unit
- In-Vehicle Wireless Charging Station

Hardware

- Convertible top frame
- Headlamp mounting buckets
- Bumper impact absorbers
- Hood latch and cables
- Side door hinges and door handles
- Supports and torsion bars
- Trunk lid latch assembly
- Step bumpers & mounting brackets
- Running boards
- Pop-out or sliding side/rear window and latches and hinges
- Swing-away mirror arms and mounts
- Many more

Extended Care Premium EV

Includes Extended Care EV Plus, Plus Coverage for all Other Parts Not Specifically Excluded

Everything is Covered Except Excluded Items on the Contract*

- Clamps and hoses
- Tires, wheels, and wheel covers
- Wiper blades
- Steering wheel (except for integral electrical Failures)
- Fuses, fusible links, and circuit breakers
- Brake drums, rotors, pads, and shoes
- Sub-frame, frame, frame bushings
- Retractable roof
- Convertible top material
- Glass, lenses, light emitting assemblies (except for integral electrical Failures)
- Any individual light emitting device that can be removed from an assembly
- Filters (except in conjunction with a covered repair)
- Electric vehicle commercial charging station
- Trim, upholstery, insulation, carpet, and paint
- Air or water leaks or wind noise, squeaks, and rattles
- Jack and tool kit, wheel lugs, and lug nuts
- Vehicle body parts including but not limited to: bumpers, body panels, fasteners and mounts, moldings and outside ornamentation, bright metal parts, door stops, and weather stripping
- Replacement of lubricants, coolants, additives and/or other fluids, except in conjunction with the repair of a Covered Part. Replacement of A/C refrigerant and/or lubricants unless in conjunction with a leak resulting from the Failure of a Covered Part
- Requiring a repair with parts that improve the condition of the Vehicle beyond its functional condition immediately prior to the Failure, or involving technology no longer supported by the manufacturer
- Any service considered to be regular maintenance, or a service, labor, or adjustment operation completed to correct a complaint where a Covered Part has not failed
- Wheel alignment (unless required in conjunction with the repair of a Failure)
- Propulsion battery coverage unless the capacity falls below seventy percent (70%) or the minimum limitations established by the manufacturer, whichever is less

*See contract for more specific details.

The items listed above are only a partial description of the full list of covered parts. See contract for the complete list.
